25 years - the singer, the songs

Thanks for buying this collection of recordings. It represents my journey in worship and song writing from 1979 until the present time. This booklet tells a little of my story and the background to each of the albums included in this collection.

It began in the early 1970's, when I was a teenager, taking any opportunity to play in front of an audience and share my faith through music and song.

In those early days I would sometimes get to a gig by hitchhiking. Standing at the roadside waiting for a ride, I never considered that the journey would take me to every continent, and to more than 30 different nations. Playing every venue from street corners to stadiums.

I never planned to be a worship leader when I started out as a singer/songwriter in the early 1970's. The 'job title' did not exist. Neither did I have thoughts of writing songs for congregational use.

However, I got involved with a youth church in 1976 and when we met on Sundays, we wanted to sing. Some of the old hymns worked with guitar but many did not. We began to look for songs that we could use and discovered publishers such as Maranatha! Music, Scripture in Song and Kingsway, who were providing a great source of new worship songs for the church.

I began to try my hand at writing songs for our worship gatherings. I wrote the song 'Lord and Father' in 1979, which was officially published when it was recorded on Kingsway's Songs of Fellowship Volume 8 in 1982. This first song marked the beginning of my long and continuing association with Kingsway and Thankyou Music, their publishing division.

In 1980, Tricia and I moved to Cobham – just outside London, to be part of Cobham Christian Fellowship led by Gerald Coates. Gerald and I have been close friends since this time. We have travelled and worked together and co-written worship songs. Gerald has probably been the biggest influence in my life over these past 25 years.

In 1985, I wrote 'You laid aside your majesty' and was surprised by the popularity it enjoyed then and still does today.

A couple of years later Tricia and I wrote 'All Heaven declares' and this again became a fixture in the worship repertoire of many churches.

The 1980's were a time when people such as Graham Kendrick, Dave Bilbrough, Dave Fellingham, Chris Bowater and many others were pioneering a new wave of worship. The rise of events such as Spring Harvest and March for Jesus served to change the face of worship in the UK and beyond.

I was caught up in this new wave and found that my diary was becoming filled with worship gatherings and conferences. Of all the songs I was writing, those for congregational use seemed to be the most appreciated.

BY YOUR SIDE - 1990

I first met John Paculabo – Managing Director of Kingsway in 1974. He was in a band called Parchment and I was the support act for their gig at Swansea University. Over the next 15 years, our paths seldom crossed but in 1989 I spent some time talking with John at an arts conference in DeBron, Holland. He had recently joined Kingsway Music.

Shortly after this meeting, he suggested that I record a worship album for Kingsway. It was obvious to him that my main area of fruitfulness was in leading worship and writing worship songs. An album that showcased my worship songs seemed like a logical progression.

Les Moir was asked to produce this album and our friendship and collaboration continues to this day.

On choosing the songs for the album, we realised that I had enough strong material for 8 of the 12 tracks needed. So we decided to include songs from other writers. These were songs that I already used and wanted to introduce to a wider audience. We have continued this process on all of my subsequent albums.

By Your Side was recorded between June and August 1990 at ICC Studio 2, Eastbourne and released in the autumn of that year. It is probably my most mellow album. In those days, the concept of a guitar driven rock'n'roll worship album was a bridge too far! So it has more of a soft rock feel. It also features some great musicians and singers from the world of UK black Gospel.

Neil Costello played most of the electric guitar parts on the album. He and Les are close friends and have worked on many projects together over the years. Neil has played guitar on all my albums to date and continues to play in my band.

THUNDER IN THE SKIES – 1993

In 1992, we began work on the follow up album to By Your Side. Les Moir was aware of my vision to see stadiums filled with worship and encouraged me to write songs that would work in gatherings of thousands of people. Songs such as 'Behold the Lord', 'Nothing shall separate us' and 'Come, Lord Jesus', reflected this new direction.

The content of the album focused on the majesty and glory of God, the mission of the church and the return of Christ.

I included 4 songs by other writers, one of whom was Stu Garrard – writing under his then 'stage' name Stuart David. Stu played in my band for a couple of years, until it became clear that Delirious? needed to be his sole musical focus.

We were given a bigger budget for this album, so we moved up to ICC Studio 1 at Eastbourne and also used Falconer Studio in London. The album was recorded between October and December 1992 and released in the spring of 1993.

We assembled the same team of musicians that had recorded 'By Your Side'. The album engineer was Martin Smith, now the lead vocalist with Delirious?, and Les Moir certainly worked him hard! I remember staying in the studio accommodation and as I was getting up one morning, Martin was just coming to bed, having worked with Les on mixing the album all through the night.

In a musical sense, we started this album where 'By Your Side' ended, so it is a little edgier. Each time we recorded, we tried to push the musical boundary a little further.

The album was well received, especially by the UK Christian bookshop owners. They voted it 'Album of the Year' in 1994.

WARRIOR – 1994

Everything moved up a gear with this album. I had carried a vision for a worship event at London's Wembley Stadium, since 1986. A number of things happened in May of 1994, which set us on a course to see the vision realised.

In May of that year, I led worship at the March for Jesus event in London's Hyde Park. 80,000 people gathered there to worship and pray – a taste of things to come! I met a wild prophetic musician from Australia – Stephen Bennett. He encouraged me to write a theme song for the stadium event – 'The world is looking for a hero (Champion)'. This song was recorded on the Warrior album. Finally, Les Moir suggested that I begin to share the vision and write it on the sleeve notes for the album. They read as follows:

Several years ago, I watched a concert on TV coming live from London's Wembley Stadium. The rock band 'Queen' were playing their anthem 'We are the champions'. It was incredible to see 70,000 people singing along with Freddie Mercury, their hands raised in 'adoration'. So began a dream. To one day see Wembley Stadium and similar venues filled with Christians declaring that there is only one champion of the world, and His name is Jesus. I am sure it will happen. In the meantime I have endeavoured to write and gather worship songs that have an anthemic feel. The sort of songs that could be used in stadiums as well as local churches. This album represents the latest stage of that journey.....I hope you enjoy the album, and that as you listen, you will begin to catch our dream. See you at Wembley.

This album marked the start of a three-year journey, which concluded at Wembley on June 28th 1997, when almost 45,000 gathered for a day of worship and prayer.

It was recorded in England between June and September 1994 at The Music Shed, Derby; ICC Studios, Eastbourne; Marcus Studios, London and Snake Ranch, London.

Among songs included from other writers was 'We want to see Jesus lifted high' written by Doug Horley, which has become so popular around the world. People often assume I wrote it, as the recording that has been heard the most, is my 'live' version from Wembley Stadium. Sometimes I wish I had!!

DANGEROUS PEOPLE – 1996

It was in Switzerland in November 1995 that I heard Fiona des Fontaines from South Africa, preach on the theme of God's Dangerous People. The great heroes of faith who at times failed God miserably. Yet by His power, they did wonderful exploits for Him and His kingdom. I felt that this would be a great title for a new album. At that time, we were on the brink of organising a worship event at the biggest football stadium in England. We felt totally inadequate for such a task, yet with God's help we could do it and perhaps make a difference to the spiritual climate in our nation. Definitely, we were living dangerously. Is there any better way to live?

We had already gathered more than 11,000 people at Wembley Arena in June 1996 (with 3,000 others requesting tickets), as a build up event to the stadium. So, we felt we were moving in the right direction.

We recorded in England during the summer of 1996 for an autumn release, which coincided with the Dangerous People Tour, taking in more than 20 UK venues. Studios used for this recording were ICC, Eastbourne; Soundfield Studios, Derby; and Black Barn Studios, Ripley.

The album was recorded with stadium worship events in mind and many of the songs were sung at Wembley in June 1997.

CALLING ALL NATIONS – 1999

On the day before the Wembley Stadium event, some friends gave me a letter. In it they shared their conviction that stadiums would be filled with worship throughout Europe and beyond. They drew my attention to 3 venues: The Olympic stadium at Berlin, Germany, the Peoples' Stadium in Budapest, Hungary and the Olympic Stadium in Barcelona, Spain.

It was Berlin that really caught my attention, so I began to read about the Olympic Stadium, Berlin, scene of the 1936 Olympics. I discovered that there was a giant bell, which was rung to signal the commencement of the games. On that bell – which now stands alongside the stadium – are the words, '*I summon the youth of the world*'.

When I read those words, I got excited and sensed that this would be the vision for a worship gathering at the Berlin Olympic Stadium - '*to gather the youth of the world and the young at heart, to worship Jesus Christ*'.

Since 1997, this vision to call the nations to worship in Berlin and beyond has been the driving force behind everything I have done.

In 1998, I got together with my good friend and fellow songwriter, Wayne Drain, from Russellville, Arkansas. He thought my next album should be one that speaks of calling nations to worship. We worked together on the song 'Calling All Nations' which became the title track of the album.

This album was mainly recorded in the inspiring surroundings of Waverley House in Surrey, England, a genuine stately home. It was wonderful to record a 'real' string section in the ballroom at the house. All that was missing were the period costumes! Other studios used were Soundfield, Derby; Black Barn, Ripley; ICC Studio 2, Eastbourne and Ground Zero.

THE 'LIVE' COMPILATION

In 1996 Kingsway released the album 'Noel Richards Live', which was recorded at Regent Hall, London in December 1994. Initially, I thought of making that album a part of this Collection. But I really wanted to include live versions of songs recorded more recently and at other venues.

So this 'live' compilation spans events from 1994 to 2001. The recordings were made at 7 different events in England and Canada. Three of the tracks have never appeared on any of my own studio albums, so I wanted to include them. Tracks and venues are listed below:

THERE IS POWER IN THE NAME OF JESUS

There is power in the name of Jesus
We believe in His name
We have called on the name of Jesus
We are saved we are saved
At His name the demons flee
At His name captives are freed
For there is no other name that is higher
Than Jesus

There is power in the name of Jesus
Like a sword in our hands
We declare in the name of Jesus
We shall stand we shall stand
At His name God's enemies
Shall be crushed beneath our feet
For there is no other name that is higher
Than Jesus

YOU LAID ASIDE YOUR MAJESTY (I REALLY WANT TO WORSHIP YOU MY LORD)

You laid aside Your majesty
Gave up everything for me
Suffered at the hands of those You had created
You took all my guilt and shame
When You died and rose again
Now today You reign
In heaven and earth exalted

I really want to worship You my Lord
You have won my heart
And I am Yours for ever and ever
I will love You
You are the only One who died for me
Gave Your life to set me free
So I lift my voice to You in adoration

CALLED TO A BATTLE (THUNDER IN THE SKIES)

Called to a battle
Heavenly war
Though we may struggle
Victory is sure
Death will not triumph
Though we may die
Jesus has promised
Our eternal life

By the blood of the Lamb
We shall overcome
See the accuser thrown down
By the word of the Lord
We shall overcome
Raise a victory cry
Like thunder in the skies

Standing together
Moving as one
We are God's army
Called to overcome
We are commissioned
Jesus says go
In every nation
Let His love be known

NOTHING SHALL SEPARATE US (FROM THE LOVE OF GOD)

Nothing shall separate us
From the love of God

God did not spare His only Son
Gave Him to save us all
Sin's price was met by Jesus' death
And heaven's mercy falls

Up from the grave Jesus was raised
To sit at God's right hand
Pleading our cause in heaven courts
Forgiven we can stand

Now by God's grace we have embraced
A life set free from sin
We shall deny all that destroys
Our union with Him

**I SAW THE NEWS TODAY
(THE CLOSING DAYS)**

I saw the news today
Another earthquake in some distant land
Homes that were swept away
Hungry children reaching out their hands

I saw the news today
Another country on the brink of war
The face of terror on a plane
Masked assassin standing at the door

The suffering in the earth
Are these things getting worse
Is there a reason

Is this the final page
Are these the closing days
For the nations
It's getting late
It's getting late
It's getting late
Are these the closing days

**GREAT IS THE DARKNESS
(COME LORD JESUS)**

Great is the darkness
That covers the earth
Oppression injustice and pain
Nations are slipping in hopeless despair
Though many have come in Your name
Watching while sanity dies
Touched by the madness and lies

Come Lord Jesus come Lord Jesus
Pour out Your Spirit we pray
Come Lord Jesus come Lord Jesus
Pour out Your Spirit on us today

May now Your church rise
With power and love
This glorious gospel proclaim
In every nation salvation will come
To those who believe in Your name
Help us bring light to this world
That we might speed Your return

Great celebrations on that final day
When out of the heavens You come
Darkness will vanish all sorrow will end
And rulers will bow at Your throne
Our great commission complete
Then face to face we shall meet

**WE HAVE CALLED ON YOU LORD
(JUBILEE SONG)**

We have called on You Lord
And You have heard us
We have called on Your name
And You have answered
Mercy has triumphed over judgement
Mercy has triumphed over judgement

You have stretched out Your hand
And You have touched us
Sent us Your holy fire
And You have purged us
Light has triumphed over darkness
Light has triumphed over darkness

We love You and sing to You
God of our salvation
You've rescued us and we declare
Your glory to the nations
We give our lives a living sacrifice
Empty and ready to be filled
With Your power

3 warrior

OUR GOD IS AWESOME IN POWER (WARRIOR)

Our God is awesome in power
Scatters His enemies
Our God is mighty in bringing
The powerful to their knees
He has put on His armour
He is prepared for war
Mercy and justice triumph
When the Lion of Judah roars

The Lord is a warrior
We will march with Him
The Lord is a warrior
Leading us to win

Waken the warrior spirit
Army of God arise
Challenge the powers of darkness
There must be no compromise
We shall attack their strongholds
Our hands are trained for war
We shall advance the Kingdom
For the victory belongs to God

OVER THE MOUNTAINS AND THE SEA (I COULD SING OF YOUR LOVE FOREVER)

Over the mountains and the sea
Your river runs with love for me
And I will open up my heart
And let the Healer set me free
I'm happy to be in the truth
And I will daily lift my hands
For I will always sing of
When Your love came down yeah

I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever

Oh I feel like dancing
It's foolishness I know
But when the world has seen the light
They will dance with joy
Like we're dancing now

THE BATTLE IS THE LORD'S

The battle is the Lord's
The battle is the Lord's
The battle is the Lord's
That is our victory cry

We refuse to bow to Satan's schemes
Set our wills for righteousness
We declare we'll choose for truth
In every situation
We could battle in the heavenlies
Yet in our lives neglect to fight
Saying no to self and no to sin
Is where our warfare must begin

As we're taking ground in daily war
Living lives of righteousness
We will grow in strength to face
The bigger situations
And the more of us that battle through
The purer then this church will be
Who will stop us then as we proclaim
Strongholds you have had your day

I WALK BY FAITH

I walk by faith
Each step by faith
To live by faith

And every prayer I make is a prayer of faith
And if my God is for me
Then who can be against me

HE HAS RISEN

He has risen
He has risen
He has risen
Jesus is alive

When the life flowed from His body
Seemed like Jesus' mission failed
But His sacrifice accomplished
Victory over sin and hell

In the grave God did not leave Him
For His body to decay
Raised to life the great awakening
Satan's power He overcame

If there were no resurrection
We ourselves could not be raised
But the Son of God is living
So our hope is not in vain

When the Lord rides out of heaven
Mighty angels at His side
They will sound the final trumpet
From the grave we shall arise

He has given life immortal
We shall see Him face to face
Through eternity we'll praise Him
Christ the Champion of our faith

WHO CAN MEND HEARTS THAT ARE BROKEN (GOOD NEWS)

Who can mend hearts that are broken
Who can bring comfort to all those who mourn
Who can bring light in the darkest times
Who can bring peace to the fearful mind

We have the answer treasure to share
Through our endeavour God's love is declared
We have the answer through us He brings
Good news to all the world

Who can bring strength to those who faint
Who can bring healing to all those in pain
Who can bring hope that removes despair
Who can bring friendship when nobody cares

Who took the blame for our shameful ways
Who mends the damage of our wasted years
Who gives the guilty a second chance
Who sets us free from the grip of the past

All humankind soon will hear of God
Millions are ready to speak of His love
He sends His Spirit upon the church
To take His good news throughout all the world

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW (DOXOLOGY)

Praise God from whom all blessings flow
Praise Him all creatures here below
Praise Him above you heavenly host
Praise Father Son and Holy Ghost

Give glory to the Father
Give glory to the Son
Give glory to the Spirit
While endless ages run

Worthy the Lamb
All heaven cries
To be exalted thus
Worthy the Lamb
Our hearts reply
For He was slain for us

OVERWHELMED BY LOVE

Overwhelmed by love
Deeper than oceans
High as the heavens
Ever living God
Your love has rescued me

All my sin was laid
On Your dear Son
Your precious One
All my debt He paid
Great is Your love for me

No one could ever earn Your love
Your grace and mercy is free
Lord these words are true
So is my love for You

FILLED WITH COMPASSION (FOR ALL THE PEOPLE WHO LIVE ON THE EARTH)

Filled with compassion for all creation
Jesus came into a world that was lost
There was but one way that He could save us
Only through suffering death on a cross

God You are waiting
Your heart is breaking
For all the people who live on the earth
Stir us to action
Filled with Your passion
For all the people who live on the earth

Great is Your passion for all the people
Living and dying without knowing You
Having no Saviour they're lost forever
If we don't speak out and lead them to You

From every nation we shall be gathered
Millions redeemed shall be Jesus' reward
Then He will turn and say to His Father
Truly My suffering was worth it all

WE WANT TO SEE JESUS LIFTED HIGH

We want to see Jesus lifted high
A banner that flies across this land
That all men might see the truth and know
He is the way to heaven

We want to see we want to see
We want to see Jesus lifted high
We want to see we want to see
We want to see Jesus lifted high

Step by step we're moving forward
Little by little taking ground
Every prayer a powerful weapon
Strongholds come tumbling down
And down and down and down

We're gonna see we're gonna see
We're gonna see Jesus lifted high
We're gonna see we're gonna see
We're gonna see Jesus lifted high

LOVE SONGS FROM HEAVEN

Love songs from heaven
Are filling the earth
Bringing great hope to all nations
Evil has prospered
But truth is alive
In this dark world
The light still shines

Nothing has silenced
This Gospel of Christ
It echoes down through the ages
Blood of the martyrs
Has made Your church strong
In this dark world
The light shines

For You we live and for You we may die
Through us may Jesus be seen
For You alone we will offer our lives
In this dark world
Our light will shine

Let every nation
Be filled with Your song
This is the cry of Your people
We will not settle
For anything less
In this dark world
Our light must shine

WHEN WE'RE IN TROUBLE (KEEP ON PRAYING)

Keep on praying
Keep on praying
Keep on praying

When we're in trouble when there are cares
When faith is shaken up when we despair
We call on Jesus give Him our thanks
We let His peace and joy come to our hearts ... we're gonna

When there is sickness when there is pain
There is a healing touch each time we pray
God always listens cares for our needs
Prayers of the righteous ones have power indeed ... we're gonna

Prayers for the nation prayers for the world
Prayers for the government prayers for the church
Prayers for the seeker prayer for the saints
Praying that people will come to faith

LET YOUR LOVE COME DOWN

Ooooooh
Ooooooh
Ooooooh
Let Your love come down

There is violence in the air
Fear touches all our lives
How much pain can people bear
Are we reaping what we've sown
Voices silent for too long
We are calling let Your love come down

There is power in Your love
Bringing laughter out of tears
It can heal the wounded soul
In the streets where anger reigns
Love will wash away the pain
We are calling heaven's love come down

I DO BELIEVE

I do believe this wonderful story
I do believe Jesus saves the lost
I do believe this wonderful story
I do believe the message of the cross

God so loved this world which He created
He gave us His one and only Son
By His life and death and resurrection
He became the hope for everyone

God did not send Jesus to condemn us
But to free us from the chains of sin
All my shameful past can be forgiven
Jesus saves all those who trust in Him

I WANT TO BE OUT OF MY DEPTH IN YOUR LOVE

I want to be out of my depth in Your love
Feeling Your arms so strong around me
Out of my depth in Your love
Out of my depth in You

Learning to let You lead
Putting all trust in You
Deeper into Your arms
Surrounded by You

Things I have held so tight
Made my security
Give me the strength I need
To simply let go

THERE IS NO ONE LIKE OUR GOD/ GOD IS WITH US

There is no one like our God in all the earth
There is no one like our God in all the earth
No one like our God
No one like our God

Our God has made the heavens
Our God has made the earth
And everything that lives
His Word has brought to birth

He numbers every star
And calls each one by name
He fills the skies with clouds
Supplies the earth with rain

Sing praises unto God
Sing praises unto His name
His love will never end
His Word will never fail

God is with us
God is with us
God is with us

HERE WE ARE LORD (DANGEROUS PEOPLE)

Here we are Lord
More weak than strong
Still believing
Still pressing on
Make us ready
With hearts that are brave
We will silence
The lies of this age

For such a moment
We have been born
We're gonna rise up
Take this world by storm
Let evil tremble
We come in His name
Our God is with us
We're dangerous people

All God's heroes
Failed as we do
Sometimes doubting
All that is true
Yet He calls us
Great people of faith
Working through us
As history is made

COME OUT OF DARKNESS

Come out of darkness into the light
Come out of darkness into the light
Come out of darkness into the arms of love

To a world in darkness
To a world in pain
At this time You've called us
Your love to proclaim
Through Your willing people
To the nations say ...

Do not be discouraged
See what God has done
He is working through us
This world shall be won
There will be a harvest
When the nations hear ...

By the blood of Jesus
Sin is washed away
All who call upon Him
He will surely save
This will be the promise
That the nations hear
When we sing it loud and clear

HAVE YOU HEARD THE GOOD NEWS

Have you heard the Good News
Have you heard the Good News
We can live in hope
Because of what the Lord has done

There is a way when there seems to be no way
There is a light in the darkness
There is a hope an everlasting hope
There is a God who can help us

A hope for justice and a hope for peace
A hope for those in desperation
We have a future if only we believe
He works in every situation

Do you believe in miracles
Like I believe in miracles

YOU ARE MY PASSION

You are my passion
Love of my life
Friend and companion
My lover
All of my being
Longs for Your touch
With all my heart
I love You

Now will You draw me close to You
Gather me in Your arms
Let me hear the beating of Your heart
O my Jesus
O my Jesus

I SEE THE LORD

I see the Lord seated on the throne exalted
And the train of His robe fills the temple with glory
The whole earth is filled
The whole earth is filled
The whole earth is filled with His glory

Holy holy holy holy
Yes holy is the Lord
Holy holy holy holy
Yes holy is the Lord of lords

ARE WE THE PEOPLE (LAST GENERATION)

Are we the people
Who will see God's Kingdom come
When He is known in every nation
One thing is certain
We are closer than before
Keep moving on
Last generation

These are the days for harvest
To gather in the lost
Let those who live in darkness
Hear the message of the cross

We'll go where God is sending
We'll do what He commands
These years that He has waited
Could be coming to an end

5 calling all nations

CALLING ALL NATIONS

Calling all nations
Hear the story
Of God's amazing grace
Calling all nations
Come and worship
Fill the earth with praise

Every woman every man
Rich and poor old and young
Heaven's love is coming down
To wipe all your tears away

There's a bell to be rung
There's a song to be sung
Sweeter music yet to play
When we gather on that day

COME NOW IS THE TIME

Come now is the time to worship
Come now is the time to give your heart
Come just as you are to worship
Come just as you are before your God
Come

One day every tongue will confess
You are God
One day every knee will bow
Still the greatest treasure remains
For those who gladly choose You now

I'M CALLING OUT TO YOU (PASSION FOR JESUS)

I'm calling out to You
There must be something more
Some deeper place to find
Some secret place to hide
Where I've not gone before

Where my soul is satisfied
And my sin is put to death
And I can hear Your voice
Your purpose is my choice
As natural as a breath

The love I knew before
When You first touched my life
I need You to restore
I want You to revive

Place in my heart a passion for Jesus
A hunger that seizes my passion for You
My one desire
My greatest possession
My only confession
My passion for You

YOU HAVE LAID YOUR HAND ON ME
(HOW CAN I LIVE)

You have laid Your hand on me
I am changed forever
There is nothing that compares
With knowing You
You have spoken words of love
That lift my spirit higher
Jesus Christ my dearest Friend
I'm never letting go

How can I live
How can I live
How can I live
Without Your love

Help me never to forget
What I used to be
Though the past that I regret
Is over now
I will never be ashamed
Of calling You my Friend
I no longer hide from You
I'm running to Your side

All the riches I possess
Are meaning less to me
Your love is the greatest gift
The very air I breathe

I HAVE COME HOME
(ALL I WANT IS YOU)

I have come home
I'm here again
Worn feet and ragged heart
Wasted my time
Wandered from ways
That are best
I don't deserve from You
Mercy that falls anew every day
All I want is You

You know my name
Call me Your friend
You draw me to Your side
Though I have failed
Fallen so far
Still You care
Grace covers all my shame
Jesus You took the blame this is love
All I want is You

All I want is You
All I want is You
All I want is You
All I want is You

I am restored
Where I belong
At one with You again
With all my heart
I choose to walk
In Your ways
Held in Your strong embrace
No-one will take Your place
In my heart
All I want is You

I'VE CHOSEN TO BELIEVE
(I'M CRYING OUT)

I've chosen to believe that God has chosen me
Now at this time
He turned my life around I make a different sound
Now I want to be a sign

Harvest fields are white
Wanna do what's right
Can't keep it to myself
Gotta go gotta tell everyone yeah

I'm crying out
Let everybody hear
This message loud and clear
I'm crying out
I want the world to know
That Jesus is my hope

I BELIEVE

I believe
In everything You do
All You have to say
I've come to realise
You're the only way
Oh I believe in You

I've received
Something in my life
Greater than before
Your truth has set me free
And I love You Lord
Oh I believe in You

Let the angels sing
Of the Lord's great love
Well it's shining down
Like the heavens above
Let the nations bow
To the Living God and know Your truth
I believe in You

SING A SONG OF SALVATION
(LET THE PEOPLE HEAR)

Sing a song of salvation
Let the people hear
Let the sound fill the nations
Let the people hear
A song of invitation
All around the world
Let the people hear
Let the people hear

A whisper turns into a shout
At last the truth is getting out
We have a song that breaks all fear
The sound of heaven loud and clear

We carry hope that must be told
We bear the name that makes us bold
If we don't speak how will they hear
If we don't go who'll draw them near

We're looking forward to the days
When unbelievers sing God's praise
As they come running to His side
The breath of heaven fills their lives

COULD I BRING YOU WORDS OF COMFORT
(WHAT JESUS WOULD HAVE DONE)

Could I bring You words of comfort
Offer peace where there is war
Could I bless the ones who curse me
Can I forgive the ones who hurt me most

Would I weep if You were weeping
Walk with those the world disowns
Can I break the bread of heaven
With every lost lost and hungry soul
Lord I will...

So hear my prayer
Let Your Spirit lead me on
To where I stand with the broken
It's what Jesus would have done

Would I stand against injustice
Speak for those who cannot speak
Be the hands that help the helpless
And be Your arms, the arms that hold the weak
Lord I will...

Could I lose the life You gave me
Lay it down with all I own
Will I walk with every pilgrim
Who walks this road the narrow way of love
Lord I will... I will...

WHEN I SING MY PRAISE TO YOU
(WHEN I WORSHIP YOU)

When I sing my praise to You
I am lifted up
To higher ground
Something happens in my soul
When I lift my voice
To worship You
Feels like sunshine on my face
A cool breeze in a desert place

When I worship You
Heaven comes to me
Heaven comes to me

Heaven is where I belong
Where the angels sing
Before Your throne
I am caught up in their sound
When I lift my voice
To worship You
From beyond where eyes can see
Love is pouring over me

I TREMBLE IN YOUR PRESENCE
(HOW I LONG FOR YOU)

I tremble in Your presence
I am humbled that You came
Yet I know it's all because
I choose to praise You
I recognise Your fragrance
As Your glory fills this place
All I'd planned to say
Means nothing now

Oh oh oh oh...
How I long for You
Oh oh oh oh...
How I long for You
Oh oh oh oh...
How I long for You
Oh oh oh oh yeah (turnaround)

I shiver in Your presence
I am frozen by my shame
My heart is breaking
More than I can stand it
Your radiance is blinding
Yet You hug me like a friend
I am overcome
By Your mercy ... again

I DON'T KNOW WHY
(ALL I KNOW)

I don't know why
I can't see how
Your precious blood
Could cleanse me now
When all this time
I've lived a lie
With no excuse
No alibi

All I know is I find mercy
All my shame You take from me
All I know Your cross has power
And the blood You shed
Cleanses me

It's way beyond
What I can see
How anyone
Could die for me
So undeserved
This precious grace
You've won my heart
I'll see Your face

OUR GOD IS AWESOME IN POWER (WARRIOR)

Our God is awesome in power
Scatters His enemies
Our God is mighty in bringing
The powerful to their knees
He has put on His armour
He is prepared for war
Mercy and justice triumph
When the Lion of Judah roars

The Lord is a warrior
We will march with Him
The Lord is a warrior
Leading us to win

Waken the warrior spirit
Army of God arise
Challenge the powers of darkness
There must be no compromise
We shall attack their strongholds
Our hands are trained for war
We shall advance the Kingdom
For the victory belongs to God

WHEN WE TURN OUR HEARTS TO HEAVEN (DREAMERS OF YOUR DREAMS)

When we turn our hearts to heaven
And bow down
We'll see fathers and the children
Reconciled
We'll be the dreamers of Your dreams
We'll be the dreamers of Your dreams

When Your fire falls from heaven
We will rend our hearts to You
We will tell it to our children
All the wonders You have done
And in every generation
We will sing of Your great love
When Your fire falls from heaven
We'll return to You again
We'll be the dreamers of Your dreams
We'll be the dreamers of Your dreams

JESUS CHRIST (ALL MY LOVE)

Jesus Christ
You came into this world to rescue me
On the Cross
My sin was laid on You what agony
There Your precious lifeblood flowed so free
Every drop that fell still cleanses me

All Your love
All Your love
All Your love
All Your love
Pouring out for me
Like a flood

I am safe
Upon the ocean of Your mercy
I am loved
With all the passion of eternity
It is deeper than the deepest sea
Like a tidal wave it carries me

All Your love
All Your love
All Your love
All Your love
Sweeping over me
Like a flood

So I stand
Upon Your promise of eternal grace
I believe
That I will one day see You face to face
I will worship You forevermore
In ways I never have before

All my love
All my love
All my love
All my love
Flowing out to You
Like a flood

OVER THE MOUNTAINS AND THE SEA (I COULD SING OF YOUR LOVE FOREVER)

Over the mountains and the sea
Your river runs with love for me
And I will open up my heart
And let the Healer set me free
I'm happy to be in the truth
And I will daily lift my hands
For I will always sing of
When Your love came down yeah

I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever

Oh I feel like dancing
It's foolishness I know
But when the world has seen the light
They will dance with joy
Like we're dancing now

I WALK BY FAITH

I walk by faith
Each step by faith
To live by faith
I put my trust in You

Every step I take is a step of faith
No weapon formed against me shall prosper
And every prayer I make is a prayer of faith
And if my God is for me
Then who can be against me

HE HAS RISEN

He has risen
He has risen
He has risen
Jesus is alive

When the life flowed from His body
Seemed like Jesus' mission failed
But His sacrifice accomplished
Victory over sin and hell

In the grave God did not leave Him
For His body to decay
Raised to life the great awakening
Satan's power He overcame

If there were no resurrection
We ourselves could not be raised
But the Son of God is living
So our hope is not in vain

When the Lord rides out of heaven
Mighty angels at His side
They will sound the final trumpet
From the grave we shall arise

He has given life immortal
We shall see Him face to face
Through eternity we'll praise Him
Christ the Champion of our faith
